# why you'll love it

Doubling as sculptural art, the versatile Light Rods Chandelier's adjustable arms can be repositioned to create your ideal form. It's outfitted with integrated LED technology that will keep on glowing—no need to replace the bulbs.

contract grade

## energy saver

The LED technology built into this chandelier helps conserve energy.

## details & dimensions

## assembly & care

### assembly

Hardwired. Professional installation recommended. Assembly required. Can be hung from a sloped ceiling. [View assembly instructions.](#)

### care

Wipe with a damp cloth. Avoid the use of chemicals and household cleaners as they may damage the finish.

Why West Elm?

good design

We design 95% of our products in-house for original style & quality you won't find anywhere else.

good for people

Our Fair Trade Certified™ and Handcrafted collections do even more to support the communities who make them.

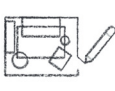

good for the planet

We prioritize responsible sourcing. That means more recycled, upcycled & FSC®-certified —and less waste.

good for you

From organic fibers to low-VOC finishes, we're making it easy to create a healthy home for you & your family.

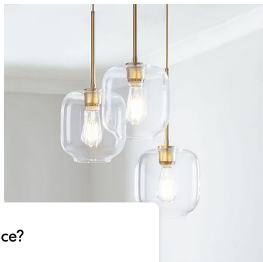

free design services

We'll pull it all together for you. Enjoy free design help, even from the comfort of your couch!
